Key Business Insights

summary of sales,regional and shipping performance

Q1.Overall Performance

Sales and Profit are highly concentrated. food and disposables contribute strongly to both sales and profit ,while several smaller categories contribute substantially less

Q2- Regional Performance

East is the strongest region across sales,profit and total orders,while central is the second largest contributor.
The other region also requires furthue review due to its unusually low contribution.

03 shipping efficiency

high shipping costs may erode profitability especially in categories with high shipment volume.
Food and supplements should be reviewed for packaging ,weight, order size and shipping

Key Takeway

- Focus on profitable growth, regional balance and shipping efficiency.
- Review weaker markets and reduce shipping cost in high cost categories.
- Regional concentration may increase dependency.
- Sales performance is concentrated in fewer categories.
- Food and disposable lead sales and profit
